SAIFEE BURHANI EXPO – CONSTRUCTION 360

With the guidance and blessings of His Holiness Syedna Mufaddal Saifuddin, 53rd al-Dai al-Mutlaq and the leader of the worldwide Dawoodi Bohra community, the 5th edition of Saifee Burhani Expo – Construction 360 was declared a resounding success.

Inauguration Highlight

The 5th edition was inaugurated by Shahzada Idris Badruddin, Head of Dawat-e-Hadiyeh's Department of Education, and Rahul Narwekar, Speaker, Maharashtra Legislative Assembly, marking the official commencement of the event.

The **Saifee Burhani Expo 2025** – Construction 360 was launched with a concept unique to the inception of the brand. With over 4 years of generic exhibitions, this is the first time the event brought together a focused community gathering aimed at fostering key business relationships.

Construction 360 – as a theme – brought together exhibitors from the Dawoodi Bohra community with a key focus on construction materials and solutions, architectural products, interior design concepts and much more. Over 113 exhibitors focused on key business transactions across the three days and met over 4800 attendees from the key target industries including developers, construction companies, infrastructure companies, interior designers, furniture and product designers and architects.

The conference – for the very first time – addressed industry concepts, topics and standards and featured over 55 eminent speakers from the industry.

The Saifee Burhani Upliftment Trust (SBUT) participated in the event solely as a Supporting Partner. Its role was limited to supporting the overall vision of the Expo, which focused on integrated construction practices covering design, engineering, technology, sustainability, safety, and long-term livability.

Through the collective participation of industry stakeholders and with SBUT as a Supporting Partner, the Saifee Burhani Expo – Construction 360 positioned itself as a focused industry exhibition and conference aimed at encouraging responsible, forward-looking construction solutions.

A UNIQUE CARBON NEUTRAL EVENT

The expo was declared a Carbon Neutral Event by Climate Impact Partners. Activities carried out in line with the event's commitment to sustainability.

Water boxes were provided to exhibitors and visitors to significantly reduce single-use plastic consumption

All exhibition branding, signage, and printing were executed on reusable fabric material instead of conventional flex or plastic-based media.

Optimised material usage, reduced waste generation, and encouraging exhibitors to adopt eco-friendly display solutions, reinforced the Expo's focus on sustainable and future-ready exhibitions.

EXHIBITOR TESTIMONIALS

“A strong platform for collaboration and growth.”

The Expo was exceptionally well organized and created valuable opportunities to connect developers, contractors, and suppliers. We appreciate the focus on collaboration and community-driven business growth.

Creators Team

“Focused, impactful, and well organized.”

The Expo was very well arranged and strongly industry focused. The quality of visitors was excellent, making networking and engagement extremely meaningful. We look forward to the next edition.

Mohammed Attarwala
Noble Protective System

“Great exposure and meaningful networking.”

SBE 2025 was well planned and organized, offering excellent visibility and opportunities to collaborate. The event helped showcase skills and products within and beyond the community.

"Saifee Burhani Expo (Construction 360) plays a critical role in strengthening the construction and real estate ecosystem by bringing together developers, manufacturers, suppliers and innovators under one roof. As Mumbai and Maharashtra continue to evolve as global hubs for infrastructure and urban development, such forums enable collaboration, knowledge exchange and sustainable business growth across the value chain."

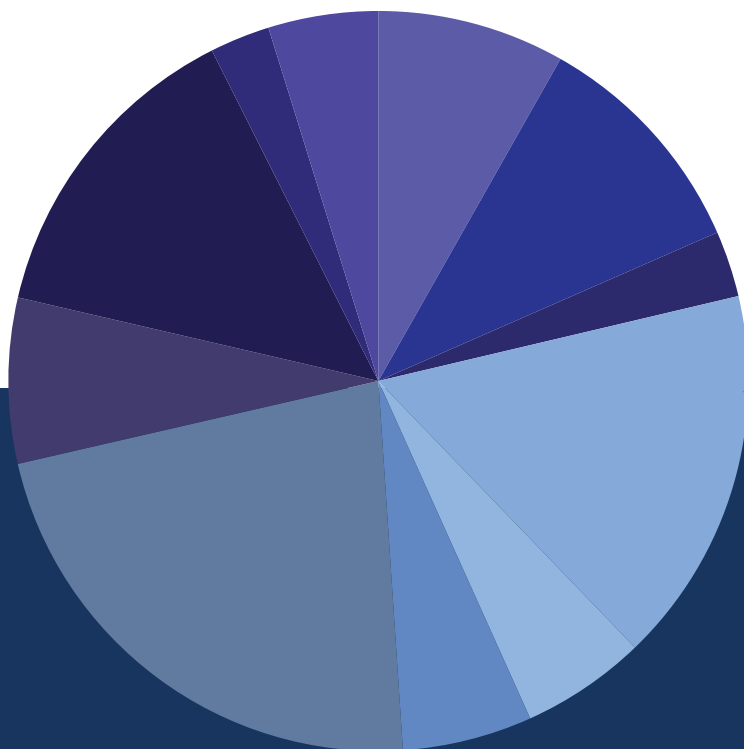

Shri. **RAHUL NARWEKAR**

Speaker of Maharashtra Legislative Assembly,
Member of Legislative Assembly (MLA)
Maharashtra

"I must compliment the Saifee Burhani Expo – Construction 360 for organising this important initiative. Events like these provide valuable exposure to the construction methods, systems, and planning approaches being adopted by the Dawoodi Bohra community. The community has consistently been at the forefront of innovation, implementing progressive schemes that support thoughtful urban planning and sustainable development."

Shri. **BHUSHAN GAGRANI**

Municipal Commissioner,

SPEAKER TESTIMONIALS

"Warm compliments to the organizers of the Saifee Burhani Expo for the excellent planning and seamless execution of the Saifee Burhani – Construction 360 Expo. The overall curation, quality of participation, and attention to detail were truly commendable. The panel discussion was particularly engaging, insightful, and well-moderated by Jimmy Mistry, making it a meaningful platform for industry dialogue. Congratulations to the entire team for setting high standards."

Keval Valambhia
Chief Operations Officer, Maharashtra Chamber of Housing Industry

"Thank you for organizing this insightful panel discussion on a topic that truly needs attention. It was a privilege to be part of such a well-curated session with highly knowledgeable and inspiring panelists."

Vishal Thakkar
Partner, Prem Group & Jt. Secretary, NAREDCO Maharashtra

"It was a pleasure to be part of the Construction 360 Conference and engage in insightful discussions around technology, digital innovation, and evolving construction practices. I'd like to especially thank the entire organizing committee for the invitation and for curating such a well-run and impactful event. The energy, audience engagement, and quality of conversations at the expo with the exhibitors truly reflected the effort put in."

Hussaine Kesury
Chief Business Officer, PepperFry

"This expo reflects a long partnership. Our community grew with Mumbai. Today, our entrepreneurs are part of the next phase of development, with a strong commitment to ethics, quality and responsible growth."

TAIKHOOM MOHIYUDDIN

Head of the Dawoodi Bohra Economic
Development Department

MEDIA MENTIONS

From merchants to builders, Dawoodi Bohra expo in Mumbai focuses on construction and allied industries

The expo also highlighted the community's contribution to urban renewal, even as city's Saifia Burhani Equilibrium Project is launched

Dawoodi Bohra community opens 5th Saifia Burhani Expo

The Dawoodi Bohra community inaugurated the 5th Saifia Burhani Expo (Construction) at the Bombay Exhibition Centre, highlighting Mumbai's evolving infrastructure and real estate landscape.

Building India's Sustainable Future: Roadmap to 2047

A thought-provoking exchange with industry leaders... The Dawoodi Bohra community is committed to building a sustainable future for Mumbai.

Mumbai News: Dawoodi Bohra Community Inaugurates Fifth Saifia Burhani Expo At Goregaon

The Dawoodi Bohra community inaugurated the 5th Saifia Burhani Expo at the Bombay Exhibition Centre, Goregaon, featuring over 120 exhibitors from India and abroad.

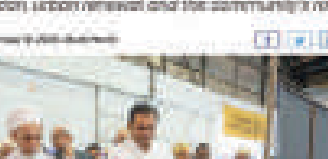

From Merchants to Builders: Dawoodi Bohra Expo Opens in Mumbai Amidst the City's Infrastructure Boom

Mumbai's infrastructure boom is highlighted by the Dawoodi Bohra community's focus on construction and allied industries.

Green Cities: What will it be like in 2047 & how to build it?

The Dawoodi Bohra community is committed to building a sustainable future for Mumbai, focusing on green cities and infrastructure.
